

ANGOS Cordless Grinding Tool

Freedom in grinding

Introducing the first battery-powered grinding tool from Mirka.

Use the versatile ANGOS ARG-B-200 for grinding and sanding metal, cleaning after welding, surface conditioning, cutting and deburring, and paint removal. Fit it with abrasive brushes, quick lock discs, hard metal burrs, or cut off wheels to work in places where bigger tools can't go, in working positions you choose. Ergonomic design gives it excellent balance and the variable speed control gives you optimal speed control while working.

KEY FEATURES:

- Ergonomic design
- Variable speed control trigger
- High speed range - 2,500 to 20,000 rpm in 7 steps
- 1/4" collet accommodates multiple attachments
- Quick Lock adapter included
- Bluetooth® low-energy technology
 - Pair the sander with a variety of devices
 - Enable use of the MyMirka app

APPLICATIONS:

Automotive Refinishing

Marine Industry

ANGOS Cordless Grinding Tool

The wide 2500-20000 rpm range of tool speed makes the ANGOS ARG-B suitable for a wide range of jobs.

At less than 2 pounds, with a balanced, ergonomic design, it is comfortable and easy to use.

The Mirka ANGOS comes with two 5.0 Ah batteries to minimize downtime – just swap a fully charged battery to continue working.
